

# 1" Tub Diverter Spout Stem Diagram

Chicago Faucets made 2 separate tub spouts with 1" threads and side lever handle. One is Hexagonal in Shape and the other is Rounded in Shape (See Below)

## Installation With Sleeve Rounded Spout Only

\* Brass washer must be re-used from existing spout.

\*\* Brass Sleeve used on rounded style spouts only!

## Installation Without Sleeve Hexagonal Spout Only

\* Brass washer must be re-used from existing spout.
